

Dear Trinity Family,

For those of you who were unable to attend services on Sunday, I want to inform you of some bittersweet news that Dee Ann and I communicated to the congregation. After 25 years of service at Trinity, God is calling us back to Texas. As many of you may know, my parents are both aging and declining in health, and when we were there in late April moving them into assisted living, Dee and I both felt the deep desire to be there. The following week we prayed earnestly, asking the Lord to show us if this was his call or just a circumstantial one, and both of us felt affirmation from the Lord that this desire was from him. Over the course of the following weeks, God confirmed this many times through various ways.

Two weeks ago I shared this with our elders; each of them was understanding and affirming. We then met to begin discussing the transition and we have a plan coming together which we will share with all of you in a few weeks.

This will not be a quick goodbye, as I need to find a job in Texas and we have an apartment to sell, both of which will take several months. Please pray for us regarding both of these, that the Lord will lead us to the right next place just as he led us here 25 years ago.

As I said above, this is bittersweet. It is bitter because we so love all of you and love this community of faith and thus it is hard to leave. But it is sweet in that we are also excited about this next season in our lives...even though we don't know what it is going to look like.

What we do know is that just as Trinity has a great history that we are celebrating this year, there is an equally great future that God has in store for this church. My encouragement for all of you is to jump in and give of yourselves so that you can be a part of the new thing that God wants to accomplish through Trinity.

With love and appreciation,

Keith
